WHY TRENEWYDD FARM?

Trenwydd Farm is the ideal place to unwind, relax, and escape from the stresses of everyday life. It is the perfect location for any kind of holiday, and your hosts love to make every stay memorable.

Have a relaxing swim after a day spent wandering the Preseli Hills or the Pembrokeshire Coastal Path; enjoy a summer BBQ with a glass of wine while the children have the freedom of the play areas and football field. Or, if you're feeling energetic why not go for a round of FootGolf? It's great fun, open to all abilities and a fantastic way to blow away some cobwebs.

Our Slot Car Shack is now open - scalextric like you've never seen it before! And all digital these days too, with lap counter, fastest lap, and pit stops - loads of fun.

Oak Cottage, Cosy Cottage and Chestnut Cottage have their own hot tubs, with relaxing hydro-massage jets, Lovely to relax during the day, and even better at night.

No need to worry about where you might be able to park at the end of a long journey, or a busy day spent sightseeing.

Each cottage has its own reserved, named space. If you have more than one car in your party, no problem, there are plenty of extra spaces too.

Our sparkling outdoor pool is surrounded beautifully by natural stone walls with flowering planters, creating a secluded haven. There is a shallow end for children, and it is large enough for swimmers who enjoy a more serious workout; or simply relax on one of the sun loungers provided around the pool area.

Planning a big celebration? We can accommodate 29 guests for family birthday celebrations and anniversaries, wedding parties and other large groups. We have had several parties when the whole complex has been rented, which has been wonderful.

Driving to Trenwydd Farm couldn't be easier. We are just a few minutes from the A457, which stretches from Snowdonia to Fishguard, so no need to worry about navigating down very narrow Welsh roads.

Don't just take our word for it... check our reviews. We received the TripAdvisor Travellers Choice Award 2022, and we have a 5.0 rating.

THE PERFECT LOCATION

WALKING, CYCLING, BEACHES, MOUNTAINS, DAYS OUT, WILDLIFE, DOLPHIN-WATCHING, FAMILY TIME - PEMBROKESHIRE HAS EVERYTHING.

Trenewydd Farm is nestled on the North Pembrokeshire coastline, on the edge of the famous Pembrokeshire Coast National Park and just a stone's throw from the Coastal Path - craggy cliffs and pebbled coves meet rolling sand dunes and miles of sandy beaches, many of which are dog friendly. This stretch of coastline was voted second only to New Zealand, according to National Geographic.

There is so much variety in this ancient and magical land: ancient forts, steam railways, golf courses, outdoor activities, wildlife, nature, walking, cycling, museums, coastering (invented here in Wales!), Victorian seaside towns and majestic coastlines, stately homes and gardens, art galleries, restaurants - the list truly is endless.

Trenewydd Farm sits on the outskirts of St Dogmaels, the best place to live in Pembrokeshire, according to The Times list 2022! It's a charming village set around the ruins of the 12th century Abbey with a working watermill, small supermarket, Post Office, super fish and chip shop and a great pub.

Cardigan, Narberth, and Newport are within easy reach and great places to visit. The Preseli Mountains are a few minutes drive away, and the beautiful river Teifi winds gently through the area.

There is something for everyone in this amazing place...

"WE COME EVERY YEAR, WE CAN'T STAY AWAY - THERE'S JUST SOMETHING SO SPECIAL ABOUT IT."

TRENEWYDD GUEST

SEE AND DO

There are so many places to go and things to do here in West Wales; many guests tell us they haven't been able to fit it all in and they need to come back! There's more than enough to keep you entertained during your holiday, rain or shine, including:

Oakwood Theme Park

The biggest theme park in Wales is easily reached for a fantastic day out. Toddler friendly rides, exciting roller coaster, newly updated Arcade, mini-golf and more, for an adrenaline fuelled experience and a magical adventure.

Teifi Valley Railway

Enjoy a trip back in time on steam or diesel locomotives, running on 2ft narrow gauge track. Or take the miniature Pixie Line, which passes through magical Pixie villages, camp sites and secret woodland haunts.

Off-road cycling

Safe, family-friendly off-road cycling at Llys-y-Frân Lake. Extensive redevelopment includes a new activity centre, bike pump skills area, and 14km of cycle tracks. Take a picnic or enjoy a well earned coffee in the cafe.

Golf

There are several golf courses around and the closest is Cardigan, which hosts many matches. Golf writer Furman Bisher said, '...the view from the top of the Cardigan course is the finest I've seen anywhere in golf'.

Castle Capital of the World

With over 600, Wales has more castles per square mile than any other country in Europe. Not all are still standing - but Wales' ancient history has left a wealth of Iron Age hill forts, Roman ruins and castles for you to explore.

Cardigan Town

Our local town is well worth a visit. With its multi-coloured buildings and photo-worthy high street, it's a great choice for shopping, with its wealth of independent shops. Choose any of the myriad places to eat, and maybe take a walk to the Wildlife Centre afterwards.

Castell Henllys

Experience life 2,000 years ago at this reproduction Iron Age village; one of the most popular local places for families. Train as a warrior, watch a woodsman work or huddle around a roundhouse fire to hear stories of old.

Heatherton World of Activities

Want to try an Escape Room? Look no further. You'll also find go-karts, paintballing, a tree tops trail, baseball, indoor bowls, an arcade, indoor play, a driving range, adventure golf, 18-hole pitch and putt and a fishing lake... phew!

Adventure Beyond

A range of outdoor activities on land, or in the water, which are fun, safe and showcase the best of our natural landscapes. There is a wide range of activities for different abilities, so there is something for the whole family.

Take in the wildlife

The wild moorland of the Preseli Mountains is right on our doorstep. The stones at Stonehenge came from the quarries here, taken along a route that may be up to 5,000 years old. Foel Eryr is the perfect place to start.

Poppit Sands

This Blue Flag beach is 10 minutes from Trewenwydd and sits at the mouth of the Teifi Estuary. It's the start of the 186-mile Pembrokeshire Coast Path, with a car park, café, and lifeguards during the summer months.

Cardigan Island Coastal Farm Park

Say hello to the farm animals, feed them too if you like, then go for a walk along headland. The fenced cliff top walk has a wonderful view of Cardigan Bay, and remember to look out for seals and the resident pod of dolphins. There's a café and play area, too.
